# Crestwood Napa County Crisis Stabilization Services

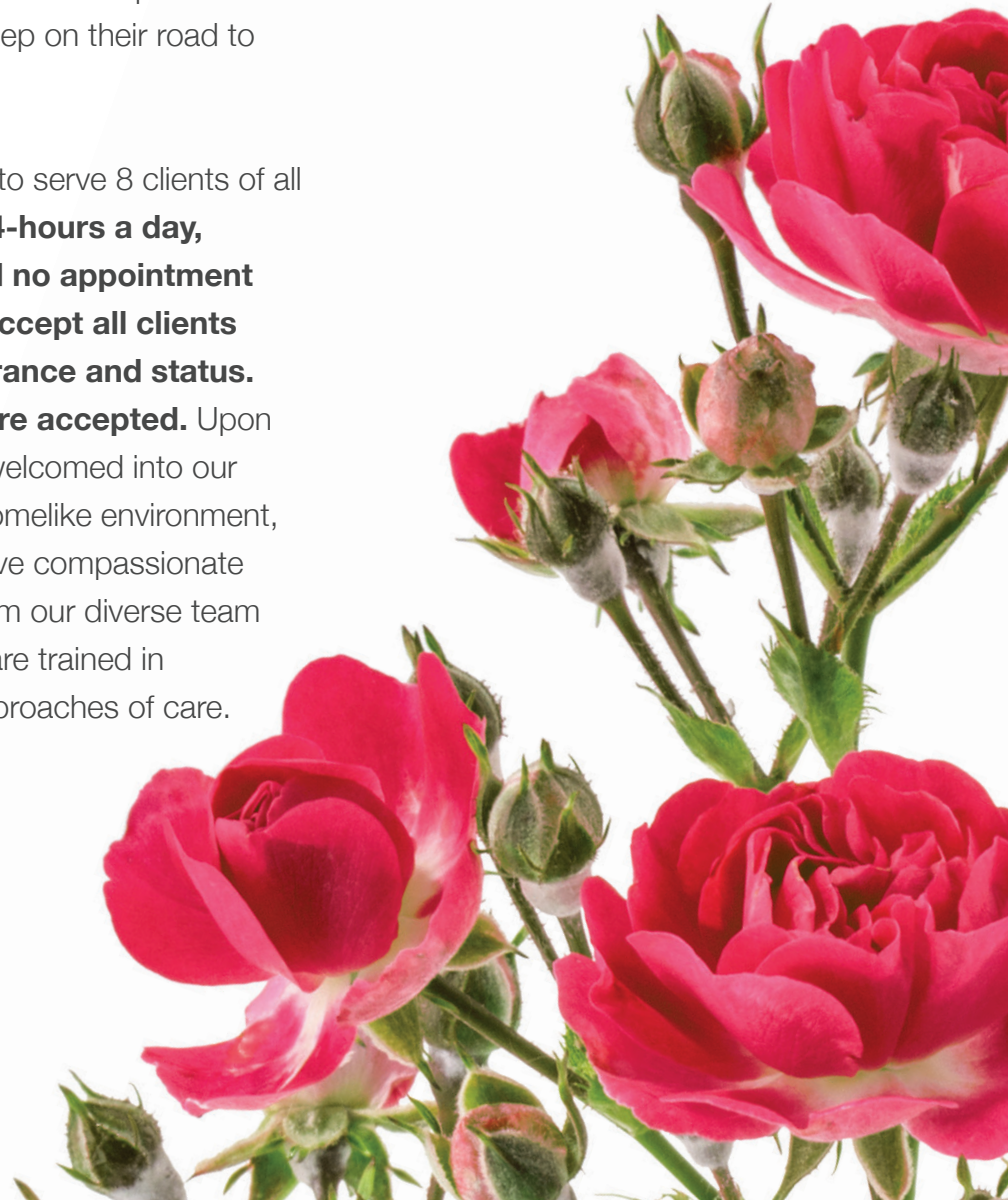

## Crestwood Behavioral Health Inc.

has been providing mental health recovery services in Napa County since 1994. Crestwood Napa County Crisis Stabilization Services (CSS) provides Napa County children, adolescents and adults, who are experiencing a mental health crisis, a safe and warm place to land. It is their first step on their road to recovery.

The CSS is certified to serve 8 clients of all ages and is **open 24-hours a day, 7-days a week and no appointment is necessary. We accept all clients regardless of insurance and status. Voluntary clients are accepted.** Upon arriving, clients are welcomed into our safe, calming and homelike environment, where they will receive compassionate recovery support from our diverse team of clinical staff who are trained in trauma-informed approaches of care.

Clients are provided with comprehensive mental health services and support for up to 23 hours. After which, they are referred to mental health services in the community that will best meet their needs, so that they may continue their recovery journey.
