accreditation

Crestwood San Diego is accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF). This accreditation requires a higher standard of care than the licensing standards in California. Crestwood believes this accreditation demonstrates our unwavering commitment to achieving and maintaining the highest level of care and rehabilitation.

Crestwood San Diego

Crestwood San Diego is a Mental Health Rehabilitation Center (MHRC) located in the beautiful seaside city of San Diego and is funded by the County of San Diego Health and Human Services Agency's Behavioral Health Services. The facility's innovative programs are based on Crestwood's commitment to providing mental health clients a continuum of care that puts them on the road to recovery. Crestwood San Diego's clients participate in Dialectical Behavior Therapy (DBT) and Wellness Recovery Action Plan (WRAP), a

self-help recovery treatment system designed to decrease symptoms, increase personal responsibility and improve quality of life. The facility also provides a versatile array of groups for clients to participate in during their recovery program and encourages active participation in treatment planning from the moment of admission.

MHRC

Our services at Crestwood San Diego support each client to recover with an enhanced sense of resilience, accessing a wide-range of wellness tools and staff support. The mission of this program is to restore a sense of hope, empowerment, community/natural support inclusion, and realized potential in each client, as well as psychiatric stabilization.

At Crestwood San Diego, community reintegration and dual recovery are key tenets. Community reintegration is designed for those clients who need help developing some of the basic life skills that will assist them when returning to their communities. We accomplish this through classes, therapy, community service and peer mentorship. Many clients participate in our Dreamcatchers Empowerment Network pre-employment training. This training enables clients to become Dreamcatcher employees and helps provide them with meaningful roles and services to the community.
